

The 2019 Youth Soccer Summer Camp is based on an integrated curriculum that draws from the best coaching models and skills development methodologies from various sources including the US Youth Soccer Association, Wisconsin Youth Soccer Association and the American Youth Soccer Association. The curriculum will focus on the development and fine tuning of skills already possessed by the player as well as incorporating new skills needed to improve the skills of players. The activities implemented will be age specific based on the skill set of the player and focus on enjoyment of the game.

Dates of the Camp:
 July 30th, 31st, August 1 5:00 PM to 7:30 PM
 Race Track Park

Field Players Camp

The camp will emphasize the development of both the technical and tactical dimensions of one on one and small groups situations. Players will be exposed to the technical skills and tactical tools required to win one on one situations from both the offensive and defensive perspectives. The coaching model will be used that is age specific to the players. **Every player will leave the clinic with the foundation necessary from which to build on in the future.**

Goal Keepers Session (4th Grade and up)

The Goal Keepers Session will provide the basic knowledge and skills from which to build. The basics to include body positions, self training, how to protect and release the ball. **Every participant will leave the clinic with the foundation necessary from which to build on in the future.**
